The purpose of this letter is to inform you that the Sacramento/Shasta-Butte Area Electrician Apprenticeship and Pre-Apprenticeship Programs are taking applications.

An Apprenticeship is a five-year "learn while you earn" opportunity to become an Inside Wireman (Electrician). It provides free, college-accredited classroom training combined with paid on-the-job training in the electrical trade. Completing the apprenticeship results in promotion to journey-level electrician at the prevailing hourly wage which is currently \$39.06 per hour plus benefits.

The Pre-Apprenticeship is a three-year "learn while you earn" opportunity to become a senior level construction wireman. It provides free classroom training combined with paid on-the-job training in the electrical trade. Completing the pre-apprenticeship results in promotion to senior-level construction wireman with a current wage rate of \$18.17 per hour plus benefits.

These training programs are sponsored by the International Brotherhood of Electrical Workers (IBEW) and the National Electrical Contractors Association (NECA) and are equal opportunity programs.

The recruitment, selection, employment and training of apprentices is conducted without discrimination of race, color, religion, national origin, sex or age—except the applicant must meet the minimum age requirement. The JATC does not discriminate against a qualified individual with a disability because of the disability of such individual. The JATC takes affirmative action to provide equal opportunity in apprenticeship and operates the program as required under applicable law and regulations. Women and minorities are encouraged to apply.
