

VETS HELPING VETS SINCE 1974

INTERESTED IN A CAREER AS A SURVEYOR?

Launch your new career with a paid apprenticeship!

Swords to Plowshares is working with a leading apprenticeship provider to help veterans begin the process to develop a career working as a surveyor, determining the topography of land to assist in the building a design of construction projects. The lowest pay for apprentices at the starting step is \$16.39/hr, with increases every 1,000 hours worked. As experience is gained, surveyors can make \$38/hr or more!

Are you ready for a challenging and rewarding career? Candidate requirements:

- Competence in geometry, trigonometry, physics, and engineering
- Clean driving record over the past five years
- Valid CA driver's license
- Passing scores on a required test (practice tests available!)
- Minimum of a high school diploma, including transcript
- Ability to work well on a team
- Aptitude for physically demanding work

Interested candidates will begin the process by submitting a cover letter and resume to employment@stp-sf.org, along with branch of service and dates served. Honorably discharged veterans will receive preference in the employer's ranking system. Apply by Monday, May 1st.

**We've helped hundreds of veterans find new jobs and start their careers.
Start your next career track today!**

Since 1974 we've helped veterans in the San Francisco Bay Area address barriers to employment and secure employment after their military service. At Swords to Plowshares, veterans work one-on-one with our Employment & Training Program staff to address their individual needs, overcome obstacles to employment, and determine a long-term career plan. We provide job placement assistance and vocational training programs to help veterans translate their skills and train for new careers in high-growth, high-wage careers in the civilian sector.
