CAT Dealer Equipment Technician Apprentice Program Application Announcement

The following CAT Dealers are accepting applications for the position of Caterpillar Dealers Equipment Technicians.

Program Overview

The Caterpillar Dealers Equipment Technician apprenticeship program is a four year apprenticeship program consisting of over 1000 hours of related instruction at San Joaquin Delta College in Stockton, California and 6800 hours of on-the-job training at the CAT Dealership. Upon completion of the 4 year program, the apprentice will complete a Community College AS Degree and completion certificates for the U.S. Department of Labor and the California Division of Apprenticeship Standards recognizing reaching Journey-worker status.

Applicant Minimum Qualifications:

- Be at least 18 years of age by the first internship period at the Dealership.
- Possess a high school diploma, General Education Development (GED) certificate, a California High School proficiency (CHSP) or an Associate or higher degree.
- Submit an official transcript from the qualifying agency listed above
- Meet the San Joaquin Delta College and Caterpillar dealer admission and academic requirements.
- Be sponsored by a participating Caterpillar dealer.
- Have a valid California driver's license.
- Submit to a pre-employment drug test and physical examination if required by the dealer sponsor.
- Submit to a background check if required by the dealer sponsor.

Applications are available by contacting one or more of the CAT Dealers listed below.

Applications accepted on an ongoing basis. Each CAT Dealer requires a separate application.

Deadline for accepting applications for starting August 2018 is May 15, 2018.

Completed applications will be reviewed by the dealer and qualified applicants will be interviewed. Selection will be made by each individual CAT dealer.

Applicants selected will start their apprenticeship program on August 22, 2018
