**Bring your talent and expertise to the City of Portland!**

Variety is the spice of life! Are you seeking to work on a variety of different, interesting smaller and larger projects, including leading-edge building designs? Do you find value in career opportunities that provide work-life balance? As an employer of choice, the City of Portland understands what draws people from other regions to join the "City That Works"!

The City of Portland is actively recruiting for Electrical Inspectors to create a list of eligible candidates. The Electrical Inspectors with the Bureau of Development Services (BDS) enhance the safety and livability of structures by performing field inspections of industrial, commercial, and multifamily residential construction projects for compliance with applicable electrical codes and regulations. Electrical Inspectors work to meet the Bureau's expectations of providing excellent customer service in an equitable manner to meet the needs of the City of Portland's community. This position requires knowledge of the relevant codes and regulations, and the ability to use significant discretion and judgment when applying them. Electrical Inspectors work on a team that shares information, trains together, and works together.

**This recruitment will remain open for six (6) months.**

- **The first review will consist of all applications received from Monday, August 26, 2019 until Monday, October 7, 2019.**
- If you are notified that you have been placed on the eligible list, you do NOT need to reapply and you will remain on the eligible list.
