The San Francisco International Airport (SFO) is a world-class, award-winning airport that serves nearly 58 million passengers annually. SFO offers non-stop flights to 51 international cities on 44 international carriers. The Bay Area’s largest airport also connects non-stop with 85 U.S. cities on 12 domestic airlines.

SFO’s mission is to provide an exceptional airport in service to our communities and is committed to redefining air travel. The Airport, an enterprise department of the City & County of San Francisco, has a workforce of approximately 1,700 City employees who are focused on providing the best level of service to our guests.

For more information, visit www.flysfo.com.

San Francisco International Airport (SFO) has a great opportunity for an Electrician to perform journey level functions in skilled electrical work in connection with the installation, maintenance, repair and alteration of electrical systems, machinery and equipment; may exercise work direction over craftsmen involved in such work; print reading. Tasks include installing, maintaining, testing and repairing electrical equipment; inspecting and repairing generating equipment; cutting, bending and installing rigid conduit, electrical metallic tubing (EMT) and pulling conductors; setting up and using ladders, staging, aerial lift trucks and light towers, and other duties as assigned. Nature of work involves physical effort and dexterity in the use of fingers, limbs and body; exposure to hazardous environments where injuries may be encountered. See official job posting for more details.

Qualifying Experience and Education:

Completion of a recognized Electrician Apprenticeship program (Inside Wireman Apprenticeship program);

AND

One (1) year of journey-level electrician experience;

AND

Possession of a current valid California Class C driver’s license at the time of appointment. Candidates must be insurable under the City’s automobile liability insurance policy. Insurability must be maintained throughout employment.

Substitution:

• Additional experience as a journey level electrician may be substituted for the required electrician apprenticeship on a year-for-year basis.

• Six (6) years of verifiable inside wireman experience equivalent to journey-level as defined by the International Brotherhood of Electrical Workers.
