San Francisco International Airport (SFO), an enterprise department of the City & County of San Francisco, is seeking Sheet Metal Workers to join SFO’s Facilities Division team. The incumbent will cut, form, fabricate and install various gauge sheet metal fixtures, systems, reinforcements and structures, and repair and/or replace damaged sheet metal fittings or structures; and perform related duties as required. Nature of work requires physical effort and dexterity in the use of the fingers, limbs and body; exposure to working conditions were moderately serious injuries may occur.

Minimum Qualifications

1. Completion of a recognized sheet metal worker’s apprenticeship program (in the Building Trades);
   AND
2. Three (3) years of journeyman level sheet metal working experience.
   AND
3. Possession of a valid California driver license.

NOTES:

One-year full-time employment is equivalent to 2000 hours. (2000 hours of qualifying work experience is based on 40 hours work week). Any overtime hours that you work above forty (40) hours per week are not included in the calculation to determine full-time employment.

- Applicants must meet the minimum qualification requirement by the final filing date unless otherwise noted.
- These minimum qualifications establish the education, training, experience, special skills and/or license(s) which are required for employment in the classification. Please note, additional qualifications (i.e., special conditions) may apply to a particular position and will be stated on the exam/job announcement.
